Plumbing Services

EMD The Right Choice

Our expert plumbers have seen it all – from dripping taps to burst pipes and clogged drains.

With years of experience in the trade, we guarantee you'll have our expert help and support.

All our work is carried out with the utmost professionalism and we pride ourselves on keeping our customers happy, taking care of all your plumbing and heating needs. We serve customers in Derry and across Northern Ireland.

Power Flushing

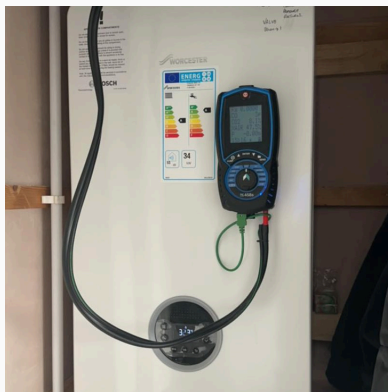

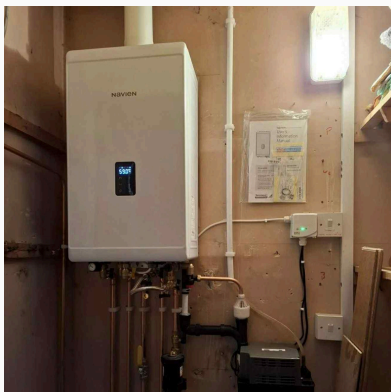

This deep clean improves system efficiency, ensures radiators heat up faster, reduces noise, prevents future breakdowns, and can lower energy bills.

Gas & Oil Boilers

Your boiler and central heating system are designed to keep your property warm and cosy when you need it. Investing in a boiler system from brands such as Warmflow and Navien as we are approved Navien Engineers on all warranty calls.

Here at EMD, we are specialists in boiler installations and complete the work on time and with minimal disruption to your daily routine.

Gas Boiler Installations

We also offer oil to gas conversions and can provide finance to suit your budget.

Boiler Servicing & Repairs

Our team takes pride in delivering the highest quality of craftsmanship

Oil Boiler Installations

We Offer Finance To Suit All Budgets on oil boilers

Oil Tank & Hot Water Cylinders

EMD The Right Choice

Our team takes pride in delivering the highest quality of craftsmanship and expert advice to both our residential customers and commercial clients. If you have any questions or need our services or a quote, please don't hesitate to contact us!

You should replace your cylinder if it's old (8-12 years), showing signs of rust or leaks, or if you're experiencing poor performance or fluctuating water temperature.

Finance available on all tanks.
